

SOHAM GADEKAR

Student

I am an enthusiastic third-year Engineering student specializing in Computer Science at Dr. D. Y. Patil Institute of Technology, Pune. Passionate about coding and love for low level language C. Eager to learn more about Operating system and the possibilities it can generate.

Education

Bachelor of Engineering

SPPU, Pune BE (Completing in 2026)
2022-2026

• **SGPA :**

- 1st sem : 7.72
- 2nd sem : 8.27
- 3rd sem : 8.91

High School and Junior College

• **12th Grade :**

Priyadarshani Public School
Percentage : 76.83

• **10th Grade :**

Sacred Heart Convent High School
Percentage : 85.40

Skills

- Organized 
- Communication 
- Teamwork 

Projects

Computer Engineering Website

using google sites Feb 9, 2024

Built a website for helping second year computer engineering students get resources at one place. Used by thousands of students.

ATM System Project

in C programming language Dec 1, 2023

Coded a ATM system project in C language using double pointers and dynamic memory allocation.

Sign Language Recognition

PBL Project using python March 31, 2024

A PBL project using python and Machine Learning.

Language

Computer Skills

- Programming languages : C, C++.
- Data Structure and Algorithms (DSA)
- Problem solving

Extracurricular Activity

- Event Manager of PBL Project Exhibition/Competition
- Coder at college club Raptors
- 4 Stars in C Programming on HackerRank
- LeetCode Problem Solving
